Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The Examiner inquired the status of the instant application as it appeared abandoned. No response to the Office Action mailed 03 June 2003 has been received. It was noted only an 'Information Disclosure Statement' was received by the Office on 24 November 2003. Applicants' Representative, John D. Goodhue, stated a response to the Office Action was incorrectly faxed to the 'After Final' fax number (703-746-9306). However, no certificate of receipt can verify the transmittal acceptance by the Office. Thus, the instant application is considered ABANDONED. Further, the Examiner indicated should Applicants' desire to continue prosecution one option is to 'Petition to Revive'.
